LB 565

be added to the law is to keep the list as it is and add language which says, "including but not limited to", then all of these other law enforcement agencies which are connected to various state departments will be able to take the training and I believe the issue is that it can then be made a budget item. They then are under the statute like everybody else and the training should be given. I handed a copy of the statement of intent, the bill itself, a letter from the Chief of UNL Police Division to explain the bill, but if you have any questions, I will answer them.

PRESIDENT: The Chair recognizes Senator Nichol.

SENATOR NICHOL: Senator Chambers, I haven't seen the bill but would this be paid for by counties for the people coming from their area and by cities from their area?

SENATOR CHAMBERS: No, Senator Nichol, this would be by the agency. See, all of those are covered already. This just deals with state agencies, like I said, the UNL Police Division, the Liquor Commission. So no counties or cities would be required to pay anything.

SENATOR NICHOL: Okay, thank you.

PRESIDENT: Any further discussion? Senator Chambers, do you have any closing? Then all those in favor of Request #824, Judiciary Committee request by Senator Chambers vote aye, opposed nay. This requires 30 votes for the introduction of the bill. Record the vote.

CLERK: 35 ayes, 0 nays on the motion to introduce, Mr. President.

PRESIDENT: Motion carries. The bill is introduced. Read the bill.

CLERK: Mr. President, LB 565. Read title. (See page 426, Legislative Journal.)

PRESIDENT: Now, then, Mr. Clerk, I believe there is a motion on my desk. One more suspension and then we can...

CLERK: Mr. President, your committee on Agriculture and Environment gives notice of public hearing in Room or cancellation of public hearing in Room 1520. This will require a suspension of the rules to cancel the hearing, Mr. President.
